

CTB 1-09 Urhan 1-06

Our Junior B's went down to 'Town on Friday night with a rusty display in the Beara League.

A good first quarter should probably have yielded more than a 0-3 to 0-01 lead, and we were made to pay as 'Town started clawing their way back into it.

Despite having most of the possession, Urhan's rustiness meant that they could never convert ball into scores and in the end despite a late Brian Healy goal, it was CTB who got the points.
