The Junior A's kick off 'Round 2' of the Beara League this Saturday with the visit of CTB.

Urhan lost 1-09 to 1-06 to CTB last month. However, with 'Town losing to Bere Island and Urhan then beating the Island in the final game, all teams finished level on two points apiece.

As no rule to split level teams had been agreed prior to the competition starting, the Beara Board decreed that all teams play again. This time points difference will be used in the event of teams finishing level on points.
