

Under-14's battle the elements, refuse to yield and qualify for the County Final. Congrats lads!!

Facing into a gale with twenty-five minutes of play left and the lead gone from them, Urhan never contemplated surrender in this gripping county semi-final in Dunmanway on Sunday.

Having seen an eight-point lead slip, thanks mainly to two Vincents' goals on the cusp of half time, Urhan regrouped for the battle. Stirring performances from 1 to 15 and valuable contributions from the subs soon had Urhan back in the ascendency. They drew level, goaled to edge ahead and slowly stretched the lead to four points, all the while defending with great concentration.

A last-minute goal for the city team might have freyed nerves but Urhan won the resulting kick-out, then a free, and the final whistle blew on an enthralling game between two fine teams.

Guts, Determination, And The Will To Win!
